Your money leaks in three places.

Past buyers don't come back.

You have their numbers but never reach out.

Repeat orders — lost

You can't see results from your ad budget.

Ads run, but you don't know which one sells.

Budget — wasted

Quiet feed, brand rarely seen.

You post when there's time. Buyers pass by.

Potential buyers — pass by

Yobo plugs these leaks **THROUGH WHATSAPP, ADS AND CONTENT.**

Four jobs, one team.

Direct Retention Marketer	Bring past buyers back on WhatsApp.
Meta Ad Marketer	The Yobo team sets up and runs your Meta ads.
Social Media Marketer	Content and regular posts to Instagram, TikTok and Threads.
Viral Remix	Product photos become trending reels within 24 hours.
