YoboLabs

Your business's AI marketer, on WhatsApp.

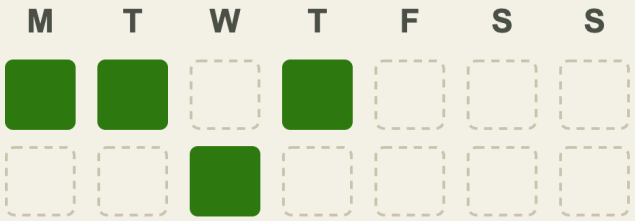

More customers from organic social, Meta ads and repeat purchases. For stores, clinics, salons, restaurants and online brands. Run by Yobo, approved by you.

TRUSTED BY

THE CHALLENGE

Every business markets.
Few do it every day, on every channel.

01

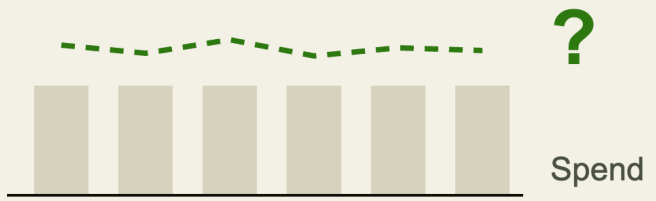

Posting is inconsistent, especially in busy weeks

- No ideas for the next post
- Videos get few views

The fix

Social media posting + AI video edits

Rp 1 juta / month

02

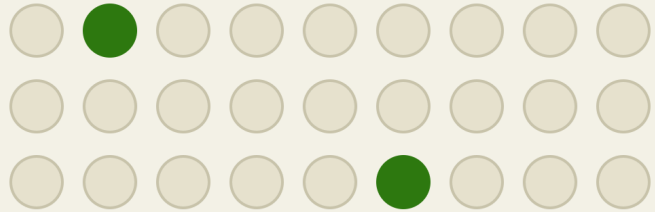

Ads run without weekly testing or clear results

- Spend goes out, sales unclear
- Leads click, then disappear

The fix

Paid ads management

Rp 3 juta / month

03

Past customers rarely hear from you again

- Customer list sits unused
- Same promo to everyone

The fix

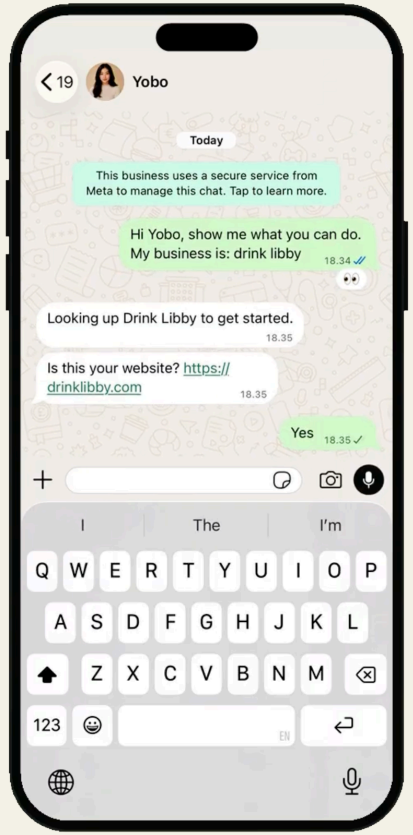

WhatsApp loyalty & retention

Rp 5 juta / month

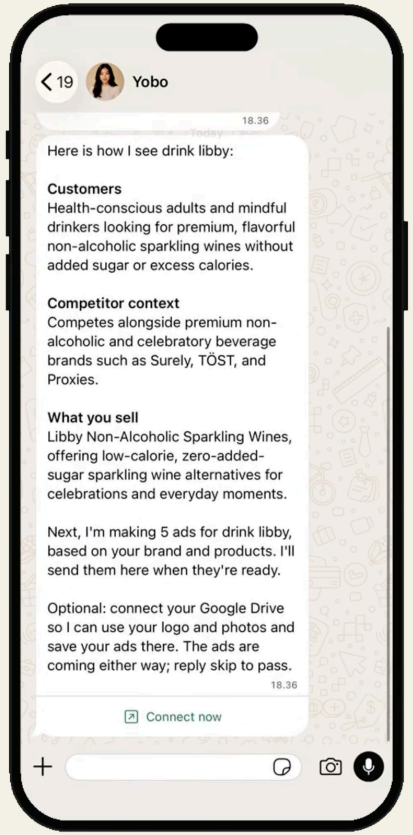

HOW IT WORKS

Everything happens in one WhatsApp chat.

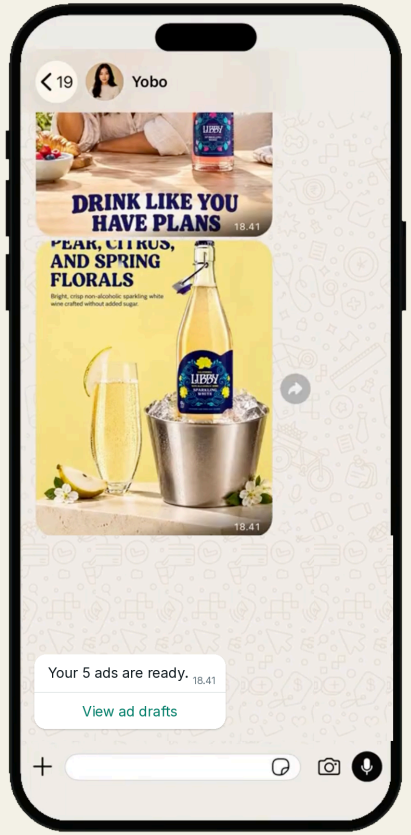

01
Share your business

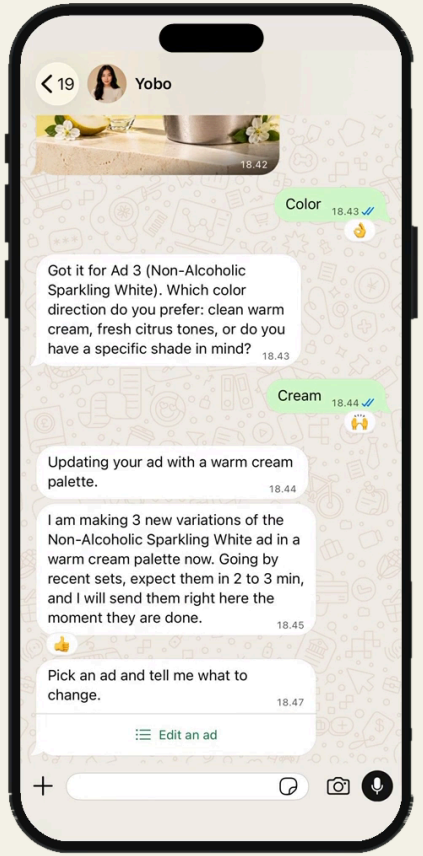

02
Yobo learns it

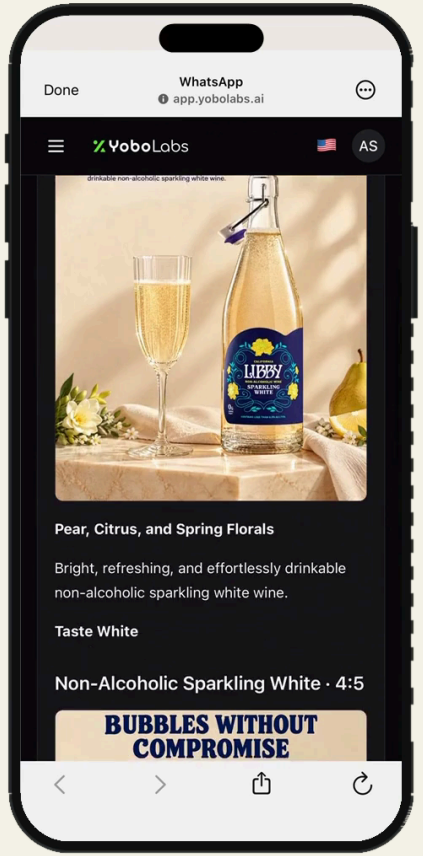

03
Content is ready

04
Edit by chat

05
Approve, it goes live

WHAT YOBO DOES

More customers from four channels.

1 · They see you

→

More customers from organic

Social media posting

Feed posts and daily stories that keep your brand top of mind.

2 · They stop scrolling

→

More views from what you shot

Viral Remix

Your photos and videos edited into a trending 9:16 video in 24 hours.

3 · They message you

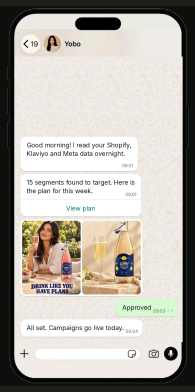

→

More customers from Meta ads

Paid ads management

Meta campaigns that bring new customers in store or online, improved every week.

4 · They come back

More customers from repeats

WhatsApp loyalty & retention

A membership program and campaigns that bring customers back again and again.

ORGANIC · SOCIAL MEDIA SUITE

NEW GUESTS · META ADS

Ads that bring buyers into your WhatsApp.

✕ No clear sales from ads	● Every ad opens a WhatsApp chat you can close
✕ No weekly testing	● We test creatives and budget every week
✕ No agency, or a weak one	● Our team runs your Instagram and Facebook ads

PROOF
F&B Meta ads average 1.56× ROAS (Triple Whale, 2025)

PROMISE
We aim for 2× ROAS, every lead tracked

GUARANTEE
No lock-in

Example ad, Yongdaeri
